

TRENTO ART FESTIVAL

UFOFABRIK

Tuesday, March 1, 2022 to Sunday, March 20, 2022

Ufofabrik wants to exhibit relevant work in the field of contemporary art and contribute to its development through independent high-quality productions, an accurate scouting action, and a continuous dialogue with the artists involved. An independent project for contemporary art, open and experimental.

During twelve years of activity, the program of exhibitions proposed has alternated exhibitions of young emerging and established artists.

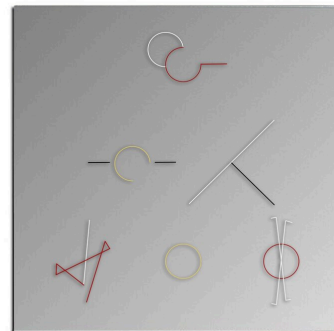

Have been held important solo and group exhibitions of artists whose work has a pioneering role in contemporary art.
